

*****AMENDMENT TO RFP # 2010-500-02 *****

Additional information has been added to the RFP document as originally issued. Please see the bolded text below.

3.0 EMPLOYMENT AND INCOME VERIFICATION SERVICES

Verification of employment status and verification of earned income is essential for the purposes of determining eligibility for receipt of assistance, prevention or identification of fraud and determining overpayments of assistance resulting from unreported or incorrectly reported income. These services are also required to verify the location of non-custodial parents for the establishment of child support obligations and for other Department of Human Resources divisions, programs, and county offices as deemed necessary by the Department. **Currently, an average of 28,255 successful hits/inquiries is conducted monthly. An increase of 5% is anticipated during the contract period for this procurement.**
